

LIFEFRAMES

"Basic" Legacy Video Package

A very basic oral history captured on video of a family member. This is their story, with opening titles and one piece of opening music. A great memento within budget:

- Interview with one family member conducted in a single 2-hour session
- 10 questions covered of your choosing
- Up to 15 photos scanned by LifeFrames
- Opening licensed music and title
- Very basic editing
- Widescreen HD(16:9) format DVD - no menu
- Custom printed DVD case insert and disk label
- 3 copies of completed legacy video on DVD

\$2600.00, 20 minute maximum

"Intermediate" Legacy Video Package

This package combines affordability and creativity. Attention to editing, including transitions (fades, wipes, etc.), and the addition of LifeFrames "editorial photos" will make this legacy video captivating for friends and family alike:

- **Interview with one family member conducted in 4 hours occurring over 2 days**
- **Professional "editorial style" still photographs of family member featured in the LifeFrames video project**
- **25 questions included - light editing of interview**
- **Opening & closing licensed music and titles**
- **Up to 25 photos scanned by LifeFrames**
- **Widescreen HD(16:9) DVD with basic menu & chapters**
- **5 copies of completed legacy video on DVD**

\$4500.00. 30 minute maximum.

"Deluxe" Family Legacy Video Package

The ultimate in personal legacy videos, featuring extensive use of photos (yours and ours), films, memorabilia, music, sound effects, titles and graphics. We pull out all the stops and use whatever it takes to make the Deluxe Legacy package look like a Hollywood production. Entertaining, educational, and moving in a most memorable way:

- **Extensive and in-depth interview**
- **Professional "editorial style" still photographs of family member for use in the LifeFrames video**
- **Cutaway, or B Roll footage shot after interview. Shots could include day to day activities, awards, just stuff that looks good and works with the story**
- **Custom opening and titles and in-depth video editing**
- **Custom music either licensed or written and performed by LifeFrames**
- **Up to 50 photos scanned by LifeFrames**
- **Historical photo and film search i.e. World War 2, Viet Nam, or even vintage royalty free movie clips**
- **Widescreen HD DVD with custom menus & chapters**
- **Custom printed DVD case insert and disk label**
- **10 copies of completed legacy video on DVD**
- **Option to "revise" or add additional material at another time (Price determined by project scope and client request)**

CONTACT LIFEFRAMES FOR MORE INFO. 40 minute maximum.

Additional services include: DVD slide shows, corporate interviews, and milestone events. For an hourly fee, LifeFrames also offers on-site consulting and tutoring for those interested in the craft of personal history.

Please note: Existing VHS or other video, 8mm, Super 8mm, 16mm, etc. that you'd like us to use for the "Deluxe" package would need to be "digitized" into a workable format for our on line editing system. LifeFrames has access to services that can convert this media.

Prices above are subject to change depending on the scope of your project. Certain costs such as travel not included in the prices and will be billed at our cost.
